Entry-Level UX/UI Designer

## SUMMARY

As a UX/UI designer with experience in veterinary work, I bring a unique perspective to user-centered design. I am skilled conducting user research, creating wireframes and prototypes. My experience in veterinary work has taught me valuable skills in communication, problem solving, and attention to detail. I am skilled in both Figma and Adobe XD, and have knowledge in HTML, CSS, and Javascript. I am highly analytical and detail-oriented, with a passion for creating intuitive and user-friendly interfaces that meet business goals with a proven ability to lead projects from concept to completion.

## SKILLS
